## **The Impact of Your Donation**

**Lights alone are a game changer. A donation of \$325,000 would allow for Junior Varsity to play full 7-inning home games. Currently games must end at dusk. Lights also make it possible for other Anderson athletes, not just baseball, to use the field after dark year-round.**

**\$325,000**

### **Add Field Lights**

Install 8 LED light poles

Upgrade transformer

**Lights and moving the fence will give the Varsity baseball team the Home Field Advantage. A donation of \$450,000 would allow our Varsity baseball team to play home baseball games at Anderson.**

**\$325,000**

### **Add Field Lights**

Install 8 LED light poles

Upgrade transformer

**\$112,000**

### **Expand Outfield and Move Fence**

New outfield and side fencing with slats

Fill, roll, and level dirt in the outfield

Re-seed and re-sod outfield

Sprinkler system repairs

plus contingency funds

**It has been more than 20 years since the last major renovation. A donation of \$220,000 would bring our backstop and dugouts up to current safety standards and improve the fan experience for our community.**

**\$163,000**

### **Replace Backstop and Dugouts**

Full brick backstop with safety netting

New, larger dugouts with concrete floors

**\$50,000**

### **Replace Scoreboard**

plus contingency funds
